

Item fade in and fade out

Code:

```
import wixWindow from 'wix-window';
```

```
$w.onReady(() => {
```

```
  wixWindow.scrollBy(0, 1); // This line is added to fix a bug with the fade effect on strips
```

```
  $w('#stripmain').show('fade', { duration: 2000, delay: 500 });
```

```
  setTimeout(() => {
```

```
    $w('#stripmain').hide('fade', { duration: 2000, delay: 500 });
```

```
  }, 5000); // hide the strip after 5 seconds (5000 milliseconds)
```

```
});
```
